SUBMISSION OF A SEQUENCE STATEMENT UNDER 37 C.F.R. § 1.821(g)

Dear Sir:

The computer-readable form submitted herewith is identical to the Sequence Listing filed with this continuation-in-part application and to the Sequence Listing of the parent case and that filed in the international parent case, PCT/US97/05809, filed March 14, 1997, except that it was reformatted in the new format as suggested by the Biotechnology Systems Branch in a communication dated 8/17/2001 and run error-free through Checker Version 3.0. It contains no new matter.

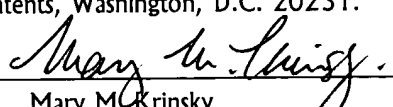

Respectfully submitted,
